## The jewel in the crown

Barr Al Jissah is the jewel in Oman's crown and the nation's favoured luxury destination. Nestled in a secluded bay where the Gulf of Oman meets the majestic Al Hajar Mountains.

Just a few minutes' drive from Muscat city centre, Barr Al Jissah brings together the tranquillity of nature and the comfort of luxury, with high-end homes creating a unique lifestyle destination in the region. The exclusive destination is further complemented by world-class luxury hotels, a marina, spas and entertainment centre.

And now, Barr Al Jissah has added to its splendour and appeal, the soon-to-be-completed, Al Mina Residences. These magnificent waterfront properties, with their relaxed atmosphere, unfettered luxury and urban amenities, including the marina retail boardwalk, al-fresco dining, private yacht club and more. A truly exceptional community where you can choose to immerse yourself in a truly unique waterfront lifestyle.

## The journey so far

An innovative project, as exclusive and ambitious as Barr Al Jissah, was possible only because of the vision and conviction of its pioneering leaders. Developed by Barr Al Jissah, a renowned project developer which launched Oman's first Integrated Tourism Complex (ITC) in 2006, the project is promoted by the Zubair Corporation, a leading business group in Oman.

The Al Mina waterfront development has been designed to become one of the most desirable destinations anywhere in the world.

### Residential properties and luxury hotels

Adding to the charm and exclusivity of Barr Al Jissah is the Al Mina Residences, a waterfront development currently under construction. Once completed, it is expected to further enhance the special appeal of this beautifully unique, waterfront development.

The Shangri-La Barr Al Jissah Resort & Spa, comprising of Al Waha & Al Bandar Hotels – alongside the Shangri-La Al Husn Resort & Spa, offer modern luxury with all the comfort and privacy you expect from a world-class resort.

Perfectly complementing the residential nature of Barr Al Jissah, the hotels offer occupants first-class services, warm hospitality and thoughtful amenities curated to match their lifestyle. From fine dining and elegant cocktail bars, to spa facilities and beauty salons. These premium hotels within Barr Al Jissah ensures that your stay is everything you dreamed it would be.

## shangri-la hotels

### World-class luxury | local warmth

Just a short drive from Muscat International Airport and a few minutes from the city centre are Shangri-La Barr Al Jissah Resort & Spa – comprised of Al Waha and Al Bandar hotels and Shangri-La Al Husn Resort & Spa. While Al Waha and Al Bandar are nestled against the dramatic backdrop of rugged Hajar mountains and Al Husn is standing majestically on a cliff top overlooking the turquoise waters of the Gulf of Oman, together they present a new model for luxury hospitality in Muscat. Both resorts are just five minutes from the homes to be found at Barr Al Jissah.

Combined, the vibrant Al Bandar Hotel (The Town) and the family-oriented Al Waha Hotel (The Oasis) boast 460 rooms and suites, offering spacious terraces or balconies, providing guests with spectacular views of 500 metres of pristine coastline.

With access to dining experiences at the adjacent sister property Shangri-La Al Husn, the two resorts share 19 food and beverage outlets that offer a mix of dining options – from poolside snacks to specialty restaurants. Each of the main restaurants serves a unique cuisine, such as Italian, Western, Omani, Moroccan, Lebanese, Indian, and South American. You'll also discover a tempting choice of cocktails in two supremely relaxing lounges.

The kids will be kept happy and occupied too with lots of activities on offer. For example, Al Waha features Splashpad and Cool Zone, one of the three children's clubs within the resort offering a wide range of supervised indoor and outdoor activities for children up to the age of 10. In addition to the hotel's main swimming pool, there is a toddler's pool with a rubber-cushioned floor and a separate pool for older children.

A delight for all ages and an enchanting experience to observe, are the sea turtles that lay their eggs on the hotel beaches, under the Turtle Care Project. A full-time turtle ranger looks after them and oversees their hatchlings.

Pamper yourself in the beauty salon, up your game all year round on the all-weather tennis courts, and also take advantage of waterfront living. The coastline and temperate waters are ideal for almost every type of exciting water sport as well as diving and deep-sea fishing.

As a Barr Al Jissah home owner, you will receive special rates throughout everything on offer at the three hotels. You will also be eligible for membership of Shangri-La Barr Al Jissah Resort & Spa. Membership offers full access to the exclusive beach, pools, children's activity centre, first-class gym and fitness centres as well as the tennis courts.

You will also enjoy the top-of-the-line catering services to be found at Shangri-La with the attentive services of the Barr Al Jissah Customer Service Team. They make it their business to keep you happy.

The two Shangri-La resorts, combined with the Barr Al Jissah residences, epitomise perfection in sophisticated waterfront living, where guests simply leave their world behind.

## Muscat

### **A tranquil anchorage**

The Sultanate of Oman lies on the south eastern end of the Arabian Peninsula where the Persian Gulf meets the Arabian Sea. It borders the United Arab Emirates in the northwest, Saudi Arabia in the west, and Yemen in the southwest. This once insular country now actively encourages tourism, and travellers come from afar to enjoy its hospitality and unspoiled landscapes.

Idyllically located between mountains and sea, Muscat is the capital and largest city of Oman. The sea continues to play a role in city life, sustaining the fishing industry and providing opportunities for visitors to enjoy sandy beaches or dive with turtles in nearby lagoons. A truly enchanting city with a great deal of local character plus warm and friendly people.

The Royal Opera House, the Grand Mosque, the Sultan's Palace, the Muttrah Corniche, a souk with heritage village, and the National Museum are just a few of the attractions that ensure Muscat acts as a beacon for those who live in Oman's interior and offers a haven of calm in surrounding warm waters.
